

Instructions to authors for Final Camera-Ready Article Preparation

Procedure for Camera Ready File Preparation:

Camera-ready file upload: <https://cmt3.research.microsoft.com/INDISCON2025/>

The authors will have to submit a camera-ready version as per the following guidelines on or before 15th July 2025.

1. The **similarity index of your paper must be less than 30%, including references**. If the plagiarism exceeds 30%, your paper will not be forwarded for publication in IEEE Xplore.
2. Paper must be revised as per Reviewers comments available on the Microsoft CMT Portal.
3. A paper is essentially to be registered and presented during the conference to be eligible for possible publication in the IEEE Xplore.
4. The author list and order maintained during the initial submission must not be changed during the final Camera-Ready Submission.
5. Paper must be **strictly adhering to the IEEE template** (<https://www.ieee.org/conferences/publishing/templates.html>).
6. Proofread your manuscript thoroughly to confirm that it will require no further revision.
7. Please **include the appropriate copyright notice on the left of the footer section of the first page (not all pages)** of your manuscript as mentioned below.
 - For papers in which all authors are employed by the US government, the copyright notice is: **U.S. Government work not protected by U.S. copyright**

 - After “File has been converted successfully”, download the Pdf from the “Action” Tab in the Dashboard.
9. Download the pdf file of your paper from PDF eXpressPlus website, rename with **PIDxxx** and upload it via the CMT Portal for Camera Ready Paper Submission of INDISCON 2025 at <https://cmt3.research.microsoft.com/INDISCON2025/>. [xxx means the Submission ID mentioned in Microsoft CMT]

Procedure for IEEE Copyright Form (eCF) submission:

To enable your paper to appear in IEEE Xplore, it is mandatory to transfer the Copyright to IEEE. The corresponding/submitting author of each paper must transfer IEEE eCF (**No other mode is allowed**). The steps to transfer the Copyright to IEEE are also given below:

1. Using CMT portal, upload the Camera Ready Paper (the paper must have passed PDF check in IEEE PDF eXpress).
2. Then click on the IEEE copyright link available on the Microsoft CMT portal under Actions column in Author console. You will be redirected to IEEE copyright Form Submission page.
3. Click on “Click here to redirect to the IEEE copyright website” to transfer eCF and you will be redirected to IEEE copyright portal.
4. Follow the instructions to complete the IEEE Copyright Transfer Process.

5. After filling out the Copyright Form, save it as a PDF file. Ensure that you retain a copy of the completed form. Before uploading this PDF to CMT, rename the file as
6. PIDxxxC (where xxx is your paper ID in CMT).
7. Upload this pdf file of Copyright Transfer Form in CMT.

It completes the Copyright Transfer of your paper to IEEE. Please note that a separate eCF transfer is required for each paper.
